Dear Sir:

In answer to your letter I wish to say that our Society does not issue a magazine, but we publish, from time to time, monographs on coins, and for the most part on ancient coins.

Our dues are five dollars per year. I am glad to enclose an application blank.

There is however, an association that publishes a monthly magazine which chronicles new issues, and I am also enclosing one of their application blanks.

Trusting that you can see your way to joining both organizations,

Yours very truly,

THE AMERICAN NUMISMATIC SOCIETY

Curator.
